

Sample Thank You Notes to Legislators

Letter if you actually visited with Representative/Senator on Advocacy Day

Dear Rep. (or Senator) _____:

Thank you for meeting me and others from around the state (or our area depending on who was in your group) on May 7 when we were in Raleigh for the Aging Advocacy Day. We appreciated the opportunity to share the latest demographic data about the growing older adult population in our state with you and to relay information about six issues important to older adults which we hope the General Assembly will act on this legislative session.

If you wish to highlight one or two of the issues, add a sentence or two.

Thank you again for meeting with me/or us and for your service.

Sincerely,

Sign your name. Add your phone number and contact information if you feel comfortable doing so. Make sure your local address is on the envelope.
